## Olympia College raises RM1,000 for charity

OLYMPIA College Johor Baru held its orientation night themed "Charity with Education" at the Zon Regency Hotel recently.

The students and staff succeeded in collecting more than RM1,000 for two charity bod-

ies — Berkat Community and Pertubuhan Kebajikan Puspanesam.

There was a gala dinner. The college's students and staff entertained guests with songs and dances.

There was also a fashion

show and a Mr and Ms Olympia pageant.

The guests of honour included Johor Baru deputy education officer Muhammad Hanafi Samad and Olympia Group of Colleges director Kevin Pereira.

In his speech, Hanafi said all colleges should attempt to fulfil their social responsibilities.

He said this would promote closer ties with the people and the government. — *By Aminuddin Mohsin*
